Meet ANDJA JANCIC

*Double Decker
Bar Manager*

Andja Jancic, Double Decker Bar Manager grew up in Serbia and started working at a very young age. Her family worked in the Hospitality industry, therefore it was only desirable for her to follow their footsteps and it has since been 11 years working in the industry.

Andja worked in a very popular bar in Belgrade City Serbia, before relocating to Dubai to further her career. Here, she worked at a famous lounge located in DIFC where she spent 5 years. She started as a bartender and cross trained alongside the restaurant team to expand her knowledge of the restaurant operations, and worked her way up to Assistant Lounge Manager. She then received an opportunity to join the team at Double Decker, RODA Al Murooj as Bar Manager.

Andja says, 'If you believe in yourself, you can reach great heights.'
